Title 1

General part

1. Introduction

BITZER is a leading international refrigeration and air conditioning technology specialist which operates in the refrigeration, air conditioning, process cooling, transport and services segments. All over the world, energy-efficient and high-quality products and services from BITZER keep temperature-sensitive products cool and provide reliable air conditioning.

By acting with honesty and fairness and within the boundaries of the law worldwide, BITZER undertakes to support the protection of human rights, compliance with employee protection rights, the protection of the environment and the fight against international corruption. Furthermore, in light of this responsibility, BITZER undertakes to respect its Business Partners* as a fair competitor in a free market.

BITZER expects the same from its Business Partners and the employees of its Business Partners and has its Business Partners undertake to comply with the law and this Code of Conduct.

If Business Partners are involved in the performance of a service by BITZER, they must have a flawless reputation in addition to the necessary professional qualifications. The employees of BITZER who are responsible for the business relationship with the Business Partner and for concluding a contract will use the sources of information available to them to verify this.

2. Scope of Application

This Code of Conduct is binding to all Business Partners of companies of the BITZER Group whose parent company is BITZER SE (referred to collectively as 'BITZER' below).

The Business Partner must adhere to the principles and requirements set out in this Code of Conduct throughout its supply and value chain, even if it is not expressly repeated in the second chapter of this Code of Conduct. This includes all stages required to manufacture products and perform services, from the acquisition of raw materials to delivery or performance for BITZER and encompasses a company's actions within the Business Partner's own field of business as well as the actions of its direct and indirect Business Partners, regardless of whether stages occur within the country or abroad.

*The term 'Business Partner' encompasses in particular customers, suppliers, contractors, service providers, advisors, brokers and vicarious agents of BITZER, regardless of whether they are natural persons or legal entities.

The term 'employee' expressly also encompasses executives, managing directors, board members and other legal representatives and corporate bodies of the Business Partner.

If, for the sake of simplicity, any word here or elsewhere in this Code of Conduct has a specific grammatical gender, it should be interpreted as having a gender-neutral meaning.

BITZER GROUP

CODE OF CONDUCT FOR BUSINESS PARTNERS

Failure to comply with the Code of Conduct and the statutory regulations on which it is based by the Business Partner can damage the reputation of both the Business Partner and BITZER as well as of the employees of the Business Partner and those of BITZER. Failure to comply with the Code of Conduct can result in considerable financial damage to the Business Partner and BITZER and, in some cases, even to liability on the part of the Business Partner and/or the employee who infringed the Code of Conduct. Therefore, infringements of the Code of Conduct cannot be tolerated.

Any infringement of the Code of Conduct by a Business Partner shall result in the immediate termination of the business relationship with BITZER as well as action under civil and criminal law.

3. Contact Persons and Complaint Procedure

If a Business Partner or one of its employees is unsure whether their conduct in a specific case is consistent with this Code of Conduct or if a business partner or an employee of the Business Partner identifies a potential infringement of this Code of Conduct in their surroundings, they can file a report with BITZER Legal Services, the central legal department of BITZER group (legalservices@bitzer.de; BITZER SE, Legal Services, Head of Legal, Peter-Schaufler-Platz 1, 71065 Sindelfingen, Deutschland) or the BITZER Whistleblower Helpline (compliance.helpline@bitzer.de). This can be done personally, verbally or in writing.

Both, BITZER Legal Services and the BITZER Whistleblower Helpline, serve as contacts in terms of a complaint procedure in accordance with the German Act on Corporate Due Diligence Obligations in Supply Chains (Lieferkettensorgfaltspflichtengesetz - LkSG). Business Partners but also all other individuals can point out here to human rights and environmental risks as well as to infringements of human rights and environmental obligations which have occurred as a result of the economic activities of BITZER or a direct or indirect supplier.

In order to be able to better classify a report, it is helpful, if the reporting person gives their name and, if the report comes from the environment of a business partner or is related with one, also the name of such Business Partner. For possible queries on the facts reported, it is also useful, if the reporting person also gives their contact details. Irrespective of this, it is also possible, to provide anonymous reports. Anonymous reports will be followed up by BITZER with the same attention as reports that are given by a person mentioning their name. However, the investigation of the facts reported may be more difficult if no consultation of the reporting person is possible due to their anonymity.
